MEMORANDUM

DATE: April 4, 1997

TO: Jerry Martin - Coleman Metals

FROM: Stacey Callison - Hart Crowser

RE: Transformer and Circuit Breaker Carcass Generator and Letter of Destruction
J-5635

Jerry,

The transformer and circuit breaker carcass generator is the Port of Portland. Please address your letter of destruction to the Port of Portland in care of Hart Crowser.

Port of Portland
c/o Hart Crowser
Five Centerpoint Drive suite 240
Lake Oswego, OR 97035

Analytical data on the PCB content of the oil drained from the transformer and circuit breaker is attached. If you have any questions please call me at 503-620-7284.
